[Approved by Governor June 27, 2013. Filed with
Secretary of State June 27, 2013.]

LEGISLATIVE COUNSEL'S DIGEST

SB 76, Committee on Budget and Fiscal Review. Public safety.

(1) Existing law establishes in the State Treasury the Local Revenue Fund 2011, a continuously appropriated fund, and requires that its funds be allocated exclusively for public safety services, as defined. Existing law further establishes the Law Enforcement Services Account within that fund, and creates the Enhancing Law Enforcement Activities Subaccount and the Juvenile Justice Subaccount within the Law Enforcement Services Account.

Existing law, commencing with the 2012–13 fiscal year, allocates specified funds from the Enhancing Law Enforcement Activities Subaccount to local governments, including to cities and counties that charge fees to a city, special district, community college district, college, or university for the booking or detention of a person arrested and brought to a detention facility of the city or county, as specified. Existing law also allocates certain percentages of the moneys deposited in the subaccount as follows: 3.78% to county sheriffs' departments to enhance law enforcement efforts in specified counties; 8.35% for use by the California Multi-Jurisdictional Methamphetamine Enforcement Teams, Multi-Agency Gang Enforcement Consortium, Sexual Assault Felony Enforcement Teams, High Technology Theft Apprehension and Prosecution Program, Gang Violence Suppression Program, and the Central Valley and Central Coast Rural Crime Prevention Programs, as specified; 30.99% to specified counties to serve children who are habitual truants, runaways, at risk of being wards of the court, or under juvenile court supervision or supervision of the probation department, as prescribed; and 6.01% to counties that operate juvenile camps and ranches, based on the number of beds in each camp.

Existing law requires each county to establish in the county treasury a Supplemental Law Enforcement Services Account for the receipt of all amounts allocated to a county for specified local law enforcement purposes, including jail construction and operation, criminal prosecution, and juvenile

justice plans. Existing law requires the Controller to allocate funds to local jurisdictions for these purposes as annually calculated by the Director of Finance.

Existing law establishes the Youthful Offender Block Grant Special Account in the Juvenile Justice Subaccount, and requires that allocations from that account be used to enhance the capacity of county departments to provide appropriate rehabilitative and supervision services to youthful offenders. Existing law requires that these funds be allocated in 4 equal installments, to be paid in September, December, March, and June, pursuant to a specified formula.

Existing law establishes the Juvenile Reentry Grant Special Account in the Juvenile Justice Subaccount and requires that its funds be allocated for the purpose of providing for the local supervision of persons discharged from the custody of the Division of Juvenile Facilities. Existing law requires that the amount allocated to each county probation department from that account be distributed in 2 equal payments to be paid on October 30 and May 30 of each fiscal year pursuant to specified criteria.

This bill would require the Controller to allocate funds from the above-described accounts for those same purposes and in the same amounts, but would require that the allocations be made in monthly installments.

(2) Existing law establishes the Law Enforcement Services Growth Subaccount within the Local Revenue Fund 2011 in the State Treasury. Existing law requires the Controller, in the 2012–13 fiscal year, to allocate funds from the Law Enforcement Services Growth Subaccount to specified accounts relating to criminal justice.

This bill would instead require the Controller to make those allocations commencing with the 2012–13 fiscal year.

(3) The California Constitution allows the Legislature, by statute, to authorize cities and counties to provide for bingo games for charitable purposes. Existing law authorizes cities and counties to permit eligible nonprofit organizations to conduct bingo games and remote caller bingo games, as defined, for charitable purposes pursuant to an ordinance that allows those games to be conducted in accordance with specified requirements. Existing law requires the California Gambling Control Commission to regulate remote caller bingo, including licensure and operation. Existing law requires any person who conducts a remote caller bingo game to be licensed. Existing law requires the commission to approve all equipment used for remote caller bingo in advance, to monitor operation of the transmission and other equipment used for remote caller bingo, and to monitor the game. Existing law requires the Department of Justice to conduct background investigations and conduct field enforcement as it relates to remote caller bingo consistent with existing law and as specified in regulations promulgated by the commission.

Existing law and the Governor's Reorganization Plan No. 2 of 2012 (GRP 2), effective on July 3, 2012, and operative on July 1, 2013, consolidates the support, investigatory, auditing, and compliance functions of the California Gambling Control Commission and transfers these duties to the

Department of Justice. The commission retains jurisdiction over the licensing, policies, regulations, criteria, and standards pertaining to gaming.

This bill would additionally require the licensure of any person who contracts to conduct remote caller bingo on behalf of an authorized organization or who is identified as having fiduciary responsibility of the game. The bill would establish an annual licensing fee in an amount determined by the department, not to exceed the reasonable regulatory costs to the department and in accordance with regulations adopted by the department. The bill would require that prior to the adoption of regulations, the nonrefundable license fee would be the amount of the reasonable regulatory costs to the department not to exceed \$3,000, for any person or entity that directly or indirectly manufactures, distributes, supplies, vends, leases, or otherwise provides supplies, devices, services, or other equipment designed for use in the playing of a remote caller bingo game by any nonprofit organization. The bill would require the department to conduct any background investigation related to remote caller bingo in accordance with existing law and as specified in regulations promulgated by the commission or the department.

This bill would reallocate additional functions among the commission and the department with regard to remote caller bingo. The bill would require a remote caller bingo site, for each participating remote caller bingo site, to notify the department and local law enforcement of its intent to conduct a game, rather than the commission. The bill would require all equipment used for remote caller bingo to be certified as compliant with specified regulations by a manufacturing expert recognized by the department. The bill would require equipment certifications to be submitted to the department prior to the equipment's use. The bill would also authorize the department, rather than the commission, to monitor the operation of the transmission and other equipment used for remote caller bingo, and to monitor the game. The bill would transfer the auditing functions of the commission to the department, as those functions relate to remote caller bingo. The bill would also make various technical, nonsubstantive conforming changes to further reflect GRP 2.

Existing law authorizes certain loans from the Gambling Control Fund to the California Bingo Fund to fund operating, personnel, and other startup costs incurred by the commission related to remote caller bingo. Existing law requires these loans to be repaid no later than 5 years after the date of the loan. Existing law requires that funds from the California Bingo Fund be available to the commission upon appropriation by the Legislature in the annual Budget Act. Existing law also authorizes the commission to assess and collect reasonable fees and deposits as necessary to defray the costs of regulation and oversight.

This bill would require the previously described loans to the California Bingo Fund to be repaid by July 1, 2019. The bill would require funds from the California Bingo Fund be available to both the commission and the department upon appropriation by the Legislature in the annual Budget Act.

The bill would additionally authorize the department to assess and collect reasonable fees and deposits to defray the costs of regulation and oversight.

This bill would make these provisions inoperative on July 1, 2016, and would repeal the remote caller bingo program as of January 1, 2017.

(4) Existing law defines a felony as a crime that is punishable by death, imprisonment in the state prison, or imprisonment in a county jail for a term greater than one year, as specified. Existing law also provides exceptions to imprisonment in a county jail for a variety of felonies, including serious or violent felonies and any felony for which registration as a sex offender is required, among other exceptions.

Existing law provides that, when a court commits a person to county jail for a felony, the portion of a defendant's sentenced term during which time he or she is supervised by the county probation officer is known as mandatory supervision.

This bill would specify that mandatory supervision begins upon release from custody. By increasing the duties of county probation officers, the bill would impose a state-mandated local program.

(5) Existing law generally requires that all persons released from prison on and after October 1, 2011, after serving a prison term for a felony, be subject to postrelease community supervision provided by a county agency for a period of 3 years immediately following release, except for persons released after serving a term for a serious felony, a violent felony, an offense for which the person was sentenced pursuant to the "Three Strikes" law, a crime where the person is classified as a high-risk sex offender, or a crime where the person is required to undergo treatment by the State Department of State Hospitals because the person has a severe mental disorder. Existing law requires these persons to be subject to parole supervision by the Department of Corrections and Rehabilitation following release from state prison and the jurisdiction of the court in the county in which the parolee is released or resides for the purpose of hearing petitions to revoke parole and impose a term of custody.

This bill would require persons subject to parole supervision to additionally be subject to the jurisdiction of the court in the county in which the alleged violation of supervision occurred for the purpose of hearing petitions to revoke parole and impose a term of custody. The bill would make conforming changes.

This bill would also require a person released to parole to remain on parole after having served 60 days on parole, regardless of a subsequent determination that the person should have been released to postrelease community supervision. The bill would likewise require a person released to postrelease community supervision to remain on postrelease community supervision after having served 60 days on postrelease community supervision, regardless of a subsequent determination that the person should have been released to parole.

By requiring county agencies to supervise persons on postrelease community supervision who should have been released to parole, this bill would impose a state-mandated local program.

(6) Existing law provides for postrelease community supervision by county officials for persons convicted of certain specified felonies upon release from the state prison or a county jail. Existing law requires the Department of Corrections and Rehabilitation to release prescribed information to local law enforcement agencies regarding a paroled inmate or inmate placed on postrelease supervision, including the inmate's name, contact information, description, and the offense or offenses for which the inmate was incarcerated.

This bill would require the department to electronically transmit to the county agency responsible for postrelease community supervision the inmate's tuberculosis status, specific medical, mental health, and outpatient clinic needs, and any medical concerns or disabilities for the purpose of identifying the medical and mental health needs of the individual. The bill would require the information to be transferred in conformity with specified federal laws, including the federal Health Insurance Portability and Accountability Act of 1996 (HIPAA). Operation of the bill would be conditional on the Secretary of the United States Department of Health and Human Services, or his or her designee, determining that this provision is not preempted by HIPAA.

(7) Under existing law, when a prisoner is confined to county jail, an industrial farm, or a road camp, for each 4-day period in which he or she is confined, he or she may have one day or 2 days deducted from his or her period of confinement, as specified. Existing law allows any inmate sentenced to a county jail assigned to a conservation camp by a sheriff and who is eligible to earn one day of credit for every one day of incarceration to earn 2 days of credit for every one day of service. Existing law allows any inmate who has completed training for assignment to a conservation camp or to a state or county facility as an inmate firefighter or who is assigned to a county or state correctional institution as an inmate firefighter and who is eligible to earn one day of credit for every one day of incarceration to instead earn 2 days of credit for every one day served in that assignment or after completing that training.

This bill would instead allow the sheriff or county director of corrections to award one and a half days credit for every day of incarceration to any inmate sentenced to the county jail who participates in an in custody work or job training program other than those specified above.

(8) Existing law establishes the Department of Corrections and Rehabilitation, which has jurisdiction over state prisons and parole of offenders released from state prisons.

This bill would require, except in prescribed emergencies, the Secretary of the Department of Corrections and Rehabilitation, or his or her designee, to provide written notification to any county impacted by the opening, closure, or change of location of any reception center that accepts prisoners from county facilities or a parole office and would require this notice to be sent to the California State Association of Counties, the California State Sheriffs' Association, and the Chief Probation Officers of California.

(9) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

(10) The bill would appropriate \$2,000 from the California Bingo Fund to the Gambling Control Commission for the purpose of supporting workload associated with the licensing of remote caller bingo vendors, as provided.

(11) This bill would declare that it is to take effect immediately as a bill providing for appropriations related to the Budget Bill.

Appropriation: yes.

The people of the State of California do enact as follows:

For a newly incorporated city whose population estimate is not published by the Department of Finance, but that was incorporated prior to July 1 of the fiscal year in which an allocation from the SLESA is to be made, the city manager, or an appointee of the legislative body, if a city manager is not available, and the county administrative or executive officer shall prepare a joint notification to the Department of Finance and the county auditor with a population estimate reduction of the unincorporated area of the county equal to the population of the newly incorporated city by July 15, or within 15 days after the Budget Act is enacted, of the fiscal year in which an allocation from the SLESA is to be made. No person residing within the Broadmoor Police Protection District, the Bear Valley Community Services District, the Stallion Springs Community Services District, the Lake Shastina Community Services District, or the Kensington Police Protection and Community Services District shall also be counted as residing within the unincorporated area of the County of San Mateo, Kern, Siskiyou, or Contra Costa, or within any city located within those counties. Except as provided in subdivision (j), the county auditor shall allocate a grant of at least one hundred thousand dollars (\$100,000) to each law enforcement jurisdiction. Moneys allocated to the county pursuant to this subdivision shall be retained in the county SLESA, and moneys allocated to a city pursuant to this subdivision shall be deposited in an SLESA established in the city treasury.

(4) Fifty percent to the county or city and county to implement a comprehensive multiagency juvenile justice plan as provided in this paragraph. The juvenile justice plan shall be developed by the local juvenile justice coordinating council in each county and city and county with the membership described in Section 749.22 of the Welfare and Institutions Code. If a plan has been previously approved by the Corrections Standards Authority or, commencing July 1, 2012, by the Board of State and Community Corrections, the plan shall be reviewed and modified annually by the council. The plan or modified plan shall be approved by the county board of supervisors, and in the case of a city and county, the plan shall also be approved by the mayor. The plan or modified plan shall be submitted to the Board of State and Community Corrections by May 1 of each year.

(A) Juvenile justice plans shall include, but not be limited to, all of the following components:

resources that specifically target at-risk juveniles, juvenile offenders, and their families.

(ii) An identification and prioritization of the neighborhoods, schools, and other areas in the community that face a significant public safety risk from juvenile crime, such as gang activity, daylight burglary, late-night robbery, vandalism, truancy, controlled substances sales, firearm-related violence, and juvenile substance abuse and alcohol use.

(iii) A local juvenile justice action strategy that provides for a continuum of responses to juvenile crime and delinquency and demonstrates a collaborative and integrated approach for implementing a system of swift, certain, and graduated responses for at-risk youth and juvenile offenders.

(iv) Programs identified in clause (iii) that are proposed to be funded pursuant to this subparagraph, including the projected amount of funding for each program.

(B) Programs proposed to be funded shall satisfy all of the following requirements:

(iv) Adopt goals related to the outcome measures that shall be used to determine the effectiveness of the local juvenile justice action strategy.

(C) The plan shall also identify the specific objectives of the programs proposed for funding and specified outcome measures to determine the effectiveness of the programs and contain an accounting for all program participants, including those who do not complete the programs. Outcome measures of the programs proposed to be funded shall include, but not be limited to, all of the following:

(i) The rate of juvenile arrests per 100,000 population.

(ii) The rate of successful completion of probation.

(iii) The rate of successful completion of restitution and court-ordered community service responsibilities.

(v) Quantification of the annual per capita costs of the program.

(D) The Board of State and Community Corrections shall review plans or modified plans submitted pursuant to this paragraph within 30 days upon receipt of submitted or resubmitted plans or modified plans. The board shall approve only those plans or modified plans that fulfill the requirements of this paragraph, and shall advise a submitting county or city and county immediately upon the approval of its plan or modified plan. The board shall offer, and provide, if requested, technical assistance to any county or city

and county that submits a plan or modified plan not in compliance with the requirements of this paragraph. The SLESA shall only allocate funding pursuant to this paragraph upon notification from the board that a plan or modified plan has been approved.

(E) To assess the effectiveness of programs funded pursuant to this paragraph using the program outcome criteria specified in subparagraph (C), the following periodic reports shall be submitted:

(i) Each county or city and county shall report, beginning October 15, 2002, and annually each October 15 thereafter, to the county board of supervisors and the Board of State and Community Corrections, in a format specified by the board, on the programs funded pursuant to this chapter and program outcomes as specified in subparagraph (C).

(ii) The Board of State and Community Corrections shall compile the local reports and, by March 15, 2003, and annually thereafter, make a report to the Governor and the Legislature on program expenditures within each county and city and county from the appropriation for the purposes of this paragraph, on the outcomes as specified in subparagraph (C) of the programs funded pursuant to this paragraph and the statewide effectiveness of the comprehensive multiagency juvenile justice plans.

(c) Subject to subdivision (d), for each fiscal year in which the county, each city, the Broadmoor Police Protection District, the Bear Valley Community Services District, the Stallion Springs Community Services District, the Lake Shastina Community Services District, and the Kensington Police Protection and Community Services District receive moneys pursuant to paragraph (3) of subdivision (b), the county, each city, and each district specified in this subdivision shall appropriate those moneys in accordance with the following procedures:

(1) In the case of the county, the county board of supervisors shall appropriate existing and anticipated moneys exclusively to provide frontline law enforcement services, other than those services specified in paragraphs (1) and (2) of subdivision (b), in the unincorporated areas of the county, in response to written requests submitted to the board by the county sheriff and the district attorney. Any request submitted pursuant to this paragraph shall specify the frontline law enforcement needs of the requesting entity, and those personnel, equipment, and programs that are necessary to meet those needs.

(2) In the case of a city, the city council shall appropriate existing and anticipated moneys exclusively to fund frontline municipal police services, in accordance with written requests submitted by the chief of police of that city or the chief administrator of the law enforcement agency that provides police services for that city.

(3) In the case of the Broadmoor Police Protection District within the County of San Mateo, the Bear Valley Community Services District or the Stallion Springs Community Services District within Kern County, the Lake Shastina Community Services District within Siskiyou County, or the Kensington Police Protection and Community Services District within Contra Costa County, the legislative body of that special district shall

appropriate existing and anticipated moneys exclusively to fund frontline municipal police services, in accordance with written requests submitted by the chief administrator of the law enforcement agency that provides police services for that special district.

(d) For each fiscal year in which the county, a city, or the Broadmoor Police Protection District within the County of San Mateo, the Bear Valley Community Services District or the Stallion Springs Community Services District within Kern County, the Lake Shastina Community Services District within Siskiyou County, or the Kensington Police Protection and Community Services District within Contra Costa County receives any moneys pursuant to this chapter, in no event shall the governing body of any of those recipient agencies subsequently alter any previous, valid appropriation by that body, for that same fiscal year, of moneys allocated to the county or city pursuant to paragraph (3) of subdivision (b).

(e) For the 2011–12 fiscal year, the Controller shall allocate 23.54 percent of the amount deposited in the Local Law Enforcement Services Account in the Local Revenue Fund 2011 for the purposes of paragraphs (1), (2), and (3) of subdivision (b), and shall allocate 23.54 percent for purposes of paragraph (4) of subdivision (b).

(f) Commencing with the 2012–13 fiscal year, the Controller shall allocate 21.86 percent of the amount deposited in the Enhancing Law Enforcement Activities Subaccount in the Local Revenue Fund 2011 for the purposes of paragraphs (1) to (3), inclusive, of subdivision (b), and shall allocate 21.86 percent for purposes of paragraph (4) of subdivision (b).

(g) Commencing with the 2013–14 fiscal year, the Controller shall allocate funds in monthly installments to local jurisdictions for public safety in accordance with this section as annually calculated by the Director of Finance.

(h) Funds received pursuant to subdivision (b) shall be expended or encumbered in accordance with this chapter no later than June 30 of the following fiscal year. A local agency that has not met the requirement of this subdivision shall remit unspent SLESA moneys received after April 1, 2009, to the Controller for deposit in the Local Safety and Protection Account, after April 1, 2012, to the Local Law Enforcement Services Account, and after July 1, 2012, to the County Enhancing Law Enforcement Activities Subaccount.

(i) In the 2010–11 fiscal year, if the fourth quarter revenue derived from fees imposed by subdivision (a) of Section 10752.2 of the Revenue and Taxation Code that are deposited in the General Fund and transferred to the Local Safety and Protection Account, and continuously appropriated to the Controller for allocation pursuant to this section, are insufficient to provide a minimum grant of one hundred thousand dollars (\$100,000) to each law enforcement jurisdiction, the county auditor shall allocate the revenue proportionately, based on the allocation schedule in paragraph (3) of subdivision (b). The county auditor shall proportionately allocate, based on the allocation schedule in paragraph (3) of subdivision (b), all revenues received after the distribution of the fourth quarter allocation attributable

to these fees for which payment was due prior to July 1, 2011, until all minimum allocations are fulfilled, at which point all remaining revenue shall be distributed proportionately among the other jurisdictions.

SEC. 5. Section 326.3 of the Penal Code is amended to read:

326.3. (a) The Legislature finds and declares all of the following:

(1) Nonprofit organizations provide important and essential educational, philanthropic, and social services to the people of the state.

(2) One of the great strengths of California is a vibrant nonprofit sector.

(3) Nonprofit and philanthropic organizations touch the lives of every Californian through service and employment.

(4) Many of these services would not be available if nonprofit organizations did not provide them.

(5) There is a need to provide methods of fundraising to nonprofit organizations to enable them to provide these essential services.

(6) Historically, many nonprofit organizations have used charitable bingo as one of their key fundraising strategies to promote the mission of the charity.

(7) Legislation is needed to provide greater revenues for nonprofit organizations to enable them to fulfill their charitable purposes, and especially to meet their increasing social service obligations.

(8) Legislation is also needed to clarify that existing law requires that all charitable bingo must be played using a tangible card and that the only permissible electronic devices to be used by charitable bingo players are card-minding devices.

(b) Neither the prohibition on gambling in this chapter nor in Chapter 10 (commencing with Section 330) applies to any remote caller bingo game that is played or conducted in a city, county, or city and county pursuant to an ordinance enacted under Section 19 of Article IV of the California Constitution, if the ordinance allows a remote caller bingo game to be played or conducted only in accordance with this section, including the following requirements:

(1) The game may be conducted only by the following organizations:

(A) An organization that is exempted from the payment of the taxes imposed under the Corporation Tax Law by Section 23701a, 23701b, 23701d, 23701e, 23701f, 23701g, 23701k, 23701l, or 23701w of the Revenue and Taxation Code.

- (B) A mobilehome park association.
- (C) A senior citizens' organization.

(D) Charitable organizations affiliated with a school district.

(2) The organization conducting the game shall have been incorporated or in existence for three years or more.

(3) The organization conducting the game shall be licensed pursuant to subdivision (I) of Section 326.5.

(4) The receipts of the game shall be used only for charitable purposes. The organization conducting the game shall determine the disbursement of the net receipts of the game.

(5) The operation of bingo may not be the primary purpose for which the organization is organized.

(c) (1) A city, county, or city and county may adopt an ordinance in substantially the following form to authorize remote caller bingo in accordance with the requirements of subdivision (b):

Sec. __.01. Legislative Authorization.

This chapter is adopted pursuant to Section 19 of Article IV of the California Constitution, as implemented by Sections 326.3 and 326.4 of the Penal Code.

Sec. __.02. Remote Caller Bingo Authorized.

Remote Caller Bingo may be lawfully played in the [City, County, or City and County] pursuant to the provisions of Sections 326.3 and 326.4 of the Penal Code, and this chapter, and not otherwise.

Sec. __.03. Qualified Applicants: Applicants for Licensure.

(a) The following organizations are qualified to apply to the License Official for a license to operate a bingo game if the receipts of those games are used only for charitable purposes:

(1) An organization exempt from the payment of the taxes imposed under the Corporation Tax Law by Section 23701a, 23701b, 23701d, 23701e, 23701f, 23701g, 23701k, 23701l, or 23701w of the Revenue and Taxation Code.

(2) A mobilehome park association of a mobilehome park that is situated in the [City, County, or City and County].

(3) Senior citizen organizations.

(4) Charitable organizations affiliated with a school district.

(b) The application shall be in a form prescribed by the License Official and shall be accompanied by a nonrefundable filing fee in an amount determined by resolution of the [Governing Body of the City, County, or City and County] from time to time. The following documentation shall be attached to the application, as applicable:

(1) A certificate issued by the Franchise Tax Board certifying that the applicant is exempt from the payment of the taxes imposed under the Corporation Tax Law pursuant to Section 23701a, 23701b, 23701d, 23701e, 23701f, 23701g, 23701k, 23701l, or 23701w of the Revenue and Taxation Code. In lieu of a certificate issued by the Franchise Tax Board, the License Official may refer to the Franchise Tax Board's Internet Web site to verify

that the applicant is exempt from the payment of the taxes imposed under the Corporation Tax Law.

(2) Other evidence as the License Official determines is necessary to verify that the applicant is a duly organized mobilehome park association of a mobilehome park situated in the [City, County, or City and County].

Sec. __.04. License Application: Verification.

The license shall not be issued until the License Official has verified the facts stated in the application and determined that the applicant is qualified.

Sec. __.05. Annual Licenses.

A license issued pursuant to this chapter shall be valid until the end of the calendar year, at which time the license shall expire. A new license shall only be obtained upon filing a new application and payment of the license fee. The fact that a license has been issued to an applicant creates no vested right on the part of the licensee to continue to offer bingo for play. The [Governing Body of the City, County, or City and County] expressly reserves the right to amend or repeal this chapter at any time by resolution. If this chapter is repealed, all licenses issued pursuant to this chapter shall cease to be effective for any purpose on the effective date of the repealing resolution.

Sec. __.06. Conditions of Licensure.

(a) Any license issued pursuant to this chapter shall be subject to the conditions contained in Sections 326.3 and 326.4 of the Penal Code, and each licensee shall comply with the requirements of those provisions.

(b) Each license issued pursuant to this chapter shall be subject to the following additional conditions:

(1) Bingo games shall not be conducted by any licensee on more than two days during any week, except that a licensee may hold one additional game, at its election, in each calendar quarter.

(2) The licensed organization is responsible for ensuring that the conditions of this chapter and Sections 326.3 and 326.4 of the Penal Code are complied with by the organization and its officers and members. A violation of any one or more of those conditions or provisions shall constitute cause for the revocation of the organization's license. At the request of the organization, the [Governing Body of the City, County, or City and County] shall hold a public hearing before revoking any license issued pursuant to this chapter.

(3) Nothing in this section shall require a city, county, or city and county to use this model ordinance in order to authorize remote caller bingo.

(d) It is a misdemeanor for any person to receive or pay a profit, wage, or salary from any remote caller bingo game, provided that administrative, managerial, technical, financial, and security personnel employed by the organization conducting the bingo game may be paid reasonable fees for services rendered from the revenues of bingo games, as provided in subdivision (1), except that fees paid under those agreements shall not be determined as a percentage of receipts or other revenues from, or be dependent on the outcome of, the game.

(e) A violation of subdivision (d) shall be punishable by a fine not to exceed ten thousand dollars (\$10,000), which fine shall be deposited in the general fund of the city, county, or city and county that enacted the ordinance authorizing the remote caller bingo game. A violation of any provision of this section, other than subdivision (d), is a misdemeanor.

(f) The city, county, or city and county that enacted the ordinance authorizing the remote caller bingo game, or the Attorney General, may bring an action to enjoin a violation of this section.

(g) No minors shall be allowed to participate in any remote caller bingo game.

(h) A remote caller bingo game shall include only sites that are located within this state.

(i) An organization authorized to conduct a remote caller bingo game pursuant to subdivision (b) shall conduct the game only on property that is owned or leased by the organization, or the use of which is donated to the organization. Nothing in this subdivision shall be construed to require that the property that is owned or leased by, or the use of which is donated to, the organization be used or leased exclusively by, or donated exclusively to, that organization.

(j) (1) All remote caller bingo games shall be open to the public, and shall not be limited to the members of the authorized organization.

(2) No more than 750 players may participate in a remote caller bingo game in a single location.

(3) If the Governor or the President declares a state of emergency in response to a natural disaster or other public catastrophe occurring in California, an organization authorized to conduct remote caller bingo games may, while that declaration is in effect, conduct a remote caller bingo game pursuant to this section with more than 750 participants in a single venue if the net proceeds of the game, after deduction of prizes and overhead expenses, are donated to or expended exclusively for the relief of the victims of the disaster or catastrophe, and the organization gives, for each participating remote caller bingo site, the department and local law enforcement at least 10 days' written notice of the intent to conduct that game.

(4) For each participating remote caller bingo site, an organization authorized to conduct remote caller bingo games shall provide the department and local law enforcement with at least 30 days' advance written notice of its intent to conduct a remote caller bingo game. That notice shall include all of the following:

(A) The legal name of the organization and the address of record of the agent upon whom legal notice may be served.

(B) The locations of the caller and remote players, whether the property is owned by the organization or donated, and if donated, by whom.

(C) The name of the licensed caller and site manager.

(D) The names of administrative, managerial, technical, financial, and security personnel employed.

(E) The name of the vendor and any person or entity maintaining the equipment used to operate and transmit the game.

(F) The name of the person designated as having a fiduciary responsibility for the game pursuant to paragraph (2) of subdivision (k).

(G) The license numbers of all persons specified in subparagraphs (A) to (F), inclusive, who are required to be licensed.

(H) A copy of the local ordinance for any city, county, or city and county in which the game will be played. The commission shall post the ordinance on its Internet Web site.

(I) A copy of the license issued to the organization by the governing body of the city, county, or city and county pursuant to subdivision (b).

(k) (1) A remote caller bingo game shall be operated and staffed only by members of the authorized organization that organized it. Those members shall not receive a profit, wage, or salary from any remote caller bingo game. Only the organization authorized to conduct a remote caller bingo game shall operate that game, or participate in the promotion, supervision, or any other phase of a remote caller bingo game. Subject to subdivision (m), this subdivision shall not preclude the employment of administrative, managerial, technical, financial, or security personnel who are not members of the authorized organization at a location participating in the remote caller bingo game by the organization conducting the game. Notwithstanding any other law, exclusive or other agreements between the authorized organization and other entities or persons to provide services in the administration, management, or conduct of the game shall not be considered a violation of the prohibition against holding a legally cognizable financial interest in the conduct of the remote caller bingo game by persons or entities other than the charitable organization, or other entity authorized to conduct the remote caller bingo games, if those persons or entities obtain the gambling licenses, the key employee licenses, or the work permits required by, and otherwise comply with, Chapter 5 (commencing with Section 19800) of Division 8 of the Business and Professions Code. Fees to be paid under those agreements shall be reasonable and shall not be determined as a percentage of receipts or other revenues from, or be dependent on the outcome of, the game.

(2) An organization that conducts a remote caller bingo game shall designate a person as having fiduciary responsibility for the game.

(l) No individual, corporation, partnership, or other legal entity, except the organization authorized to conduct or participate in a remote caller bingo game, shall hold a legally cognizable financial interest in the conduct of that game.

(m) An organization authorized to conduct a remote caller bingo game pursuant to this section shall not have overhead costs exceeding 20 percent of gross sales, except that the limitations of this section shall not apply to one-time, nonrecurring capital acquisitions. For purposes of this subdivision, “overhead costs” includes, but is not limited to, amounts paid for rent and equipment leasing and the reasonable fees authorized to be paid to administrative, managerial, technical, financial, and security personnel

employed by the organization pursuant to subdivision (d). For the purpose of keeping its overhead costs below 20 percent of gross sales, an authorized organization may elect to deduct all or a portion of the fees paid to financial institutions for the use and processing of credit card sales from the amount of gross revenues awarded for prizes. In that case, the redirected fees for the use and processing of credit card sales shall not be included in “overhead costs” as defined in the California Remote Caller Bingo Act. Additionally, fees paid to financial institutions for the use and processing of credit card sales shall not be deducted from the proceeds retained by the charitable organization.

(n) No person shall be allowed to participate in a remote caller bingo game unless the person is physically present at the time and place where the remote caller bingo game is being conducted. A person shall be deemed to be physically present at the place where the remote caller bingo game is being conducted if he or she is present at any of the locations participating in the remote caller bingo game in accordance with this section.

(o) (1) An organization shall not cosponsor a remote caller bingo game with one or more other organizations unless one of the following is true:

(A) All of the cosponsors are affiliated under the master charter or articles and bylaws of a single organization.

(B) All of the cosponsors are affiliated through an organization described in paragraph (1) of subdivision (b), and have the same Internal Revenue Service activity code.

(2) Notwithstanding paragraph (1), a maximum of 10 unaffiliated organizations described in paragraph (1) of subdivision (b) may enter into an agreement to cosponsor a remote caller game, but that game shall have no more than 10 locations.

(3) An organization shall not conduct remote caller bingo more than two days per week.

(4) Before sponsoring or operating any game authorized under paragraph (1) or (2), each of the cosponsoring organizations shall have entered into a written agreement, a copy of which shall be provided to the commission, setting forth how the expenses and proceeds of the game are to be allocated among the participating organizations, the bank accounts into which all receipts are to be deposited and from which all prizes are to be paid, and how game records are to be maintained and subjected to annual audit.

(p) The value of prizes awarded during the conduct of any remote caller bingo game shall not exceed 37 percent of the gross receipts for that game. When an authorized organization elects to deduct fees paid for the use and processing of credit card sales from the amount of gross revenues for that game awarded for prizes, the maximum amount of gross revenues that may be awarded for prizes shall not exceed 37 percent of the gross receipts for that game, less the amount of redirected fees paid for the use and processing of credit card sales. Every remote caller bingo game shall be played until a winner is declared. Progressive prizes are prohibited. The declared winner of a remote caller bingo game shall provide his or her identifying information and a mailing address to the onsite manager of the remote caller bingo game.

Prizes shall be paid only by check; no cash prizes shall be paid. The organization conducting the remote caller bingo game may issue a check to the winner at the time of the game, or may send a check to the declared winner by United States Postal Service certified mail, return receipt requested. All prize money exceeding state and federal exemption limits on prize money shall be subject to income tax reporting and withholding requirements under applicable state and federal laws and regulations and those reports and withholding shall be forwarded, within 10 business days, to the appropriate state or federal agency on behalf of the winner. A report shall accompany the amount withheld identifying the person on whose behalf the money is being sent. Any game interrupted by a transmission failure, electrical outage, or act of God shall be considered void in the location that was affected. A refund for a canceled game or games shall be provided to the purchasers.

(q) (1) The commission shall require the licensure of the following:

(A) Any person who contracts to conduct remote caller bingo on behalf of an organization described in subdivision (b) or who is identified as having fiduciary responsibility for the game pursuant to subdivision (k).

(B) Any person who directly or indirectly manufactures, distributes, supplies, vends, leases, or otherwise provides supplies, devices, services, or other equipment designed for use in the playing of a remote caller bingo game by any organization described in subdivision (b).

(C) Beginning January 31, 2009, or a later date as may be established by the commission, all persons described in subparagraph (A) or (B) may submit to the commission a letter of intent to submit an application for licensure. The letter shall clearly identify the principal applicant, all categories under which the application will be filed, and the names of all those particular individuals who are applying. Each charitable organization shall provide an estimate of the frequency with which it plans to conduct remote caller bingo operations, including the number of locations. The letter of intent may be withdrawn or updated at any time.

(2) (A) Background investigations related to remote caller bingo conducted by the department shall be in accordance with the Gambling Control Act (Chapter 5 (commencing with Section 19800) of Division 8 of the Business and Professions Code) and as specified in regulations promulgated by the commission or the department.

(B) Fees to cover background investigation costs shall be paid and accounted for in accordance with Section 19867 of the Business and Professions Code.

(3) (A) Every application for a license or approval by a person described in subparagraph (A) of paragraph (1) shall be submitted to the department and accompanied by a nonrefundable fee, the amount of which shall be adopted by the commission by regulation.

(B) Fees and revenue collected pursuant to this paragraph shall be deposited in the California Bingo Fund, which is hereby created in the State Treasury. The funds deposited in the California Bingo Fund shall be available, upon appropriation by the Legislature, for expenditure by the

commission and the department exclusively for the support of the commission and department in carrying out their duties and responsibilities under this section and Section 326.5.

(C) A loan is hereby authorized from the Gambling Control Fund to the California Bingo Fund on or after January 1, 2009, in an amount of up to five hundred thousand dollars (\$500,000) to fund operating, personnel, and other startup costs incurred by the commission and department relating to this section. Funds from the California Bingo Fund shall be available to the commission and department upon appropriation by the Legislature in the annual Budget Act. The loan shall be subject to all of the following conditions:

(i) The loan shall be repaid to the Gambling Control Fund as soon as there is sufficient money in the California Bingo Fund to repay the amount loaned, but no later than July 1, 2019.

(ii) Interest on the loan shall be paid from the California Bingo Fund at the rate accruing to moneys in the Pooled Money Investment Account.

(iii) The terms and conditions of the loan are approved, prior to the transfer of funds, by the Department of Finance pursuant to appropriate fiscal standards.

The commission and department may assess and collect reasonable fees and deposits as necessary to defray the costs of regulation and oversight.

(D) Notwithstanding any other law, the loan authorized by Provision 1 of Item 0855-001-0567 of the Budget Act of 2009, in the amount of four hundred fifty-seven thousand dollars (\$457,000), shall be repaid no later than July 1, 2019.

(E) The licensing fee for any person or entity that directly or indirectly manufactures, distributes, supplies, vends, leases, or otherwise provides supplies, devices, services, or other equipment designed for use in the playing of a remote caller bingo game by any nonprofit organization shall be in an amount determined by the department, not to exceed the reasonable regulatory costs to the department and in accordance with regulations adopted pursuant to this chapter. Prior to the adoption of the regulations, the nonrefundable license fee shall be the amount of the reasonable regulatory costs to the department, not to exceed three thousand dollars (\$3,000) per year.

(r) The administrative, managerial, technical, financial, and security personnel employed by an organization that conducts remote caller bingo games shall apply for, obtain, and thereafter maintain valid work permits, as defined in Section 19805 of the Business and Professions Code.

(s) An organization that conducts remote caller bingo games shall retain records in connection with the remote caller bingo game for five years.

(t) (1) All equipment used for remote caller bingo shall be certified as compliant with regulations adopted pursuant to subdivision (r) of Section 19841 of the Business and Professions Code by a manufacturing expert recognized by the department. Certifications shall be submitted to the department prior to the use of any equipment subject to this subdivision.

(2) The department may monitor operation of the transmission and other equipment used for remote caller bingo, and monitor the game.

(u) (1) As used in this section, “remote caller bingo game” means a game of bingo, as defined in subdivision (o) of Section 326.5, in which the numbers or symbols on randomly drawn plastic balls are announced by a natural person present at the site at which the live game is conducted, and the organization conducting the bingo game uses audio and video technology to link any of its in-state facilities for the purpose of transmitting the remote calling of a live bingo game from a single location to multiple locations owned, leased, or rented by that organization, or as described in subdivision (o) of this section. The audio or video technology used to link the facilities may include cable, Internet, satellite, broadband, or telephone technology, or any other means of electronic transmission that ensures the secure, accurate, and simultaneous transmission of the announcement of numbers or symbols in the game from the location at which the game is called by a natural person to the remote location or locations at which players may participate in the game. The drawing of each ball bearing a number or symbol by the natural person calling the game shall be visible to all players as the ball is drawn, including through a simultaneous live video feed at remote locations at which players may participate in the game.

(2) The caller in the live game must be licensed by the California Gambling Control Commission. A game may be called by a nonlicensed caller if the drawing of balls and calling of numbers or symbols by that person is observed and personally supervised by a licensed caller.

(3) Remote caller bingo games shall be played using traditional paper or other tangible bingo cards and daubers, and shall not be played by using electronic devices, except card-minding devices, as described in paragraph (1) of subdivision (p) of Section 326.5.

(4) Prior to conducting a remote caller bingo game, the organization that conducts remote caller bingo shall submit to the department the controls, methodology, and standards of game play, which shall include, but not be limited to, the equipment used to select bingo numbers and create or originate cards, control or maintenance, distribution to participating locations, and distribution to players. Those controls, methodologies, and standards shall be subject to prior approval by the department, provided that the controls shall be deemed approved by the department after 90 days from the date of submission unless disapproved.

(v) A location shall not be eligible to participate in a remote caller bingo game if bingo games are conducted at that location in violation of Section 326.5 or any regulation adopted by the commission pursuant to Section 19841 of the Business and Professions Code, including, but not limited to, a location at which unlawful electronic devices are used.

(w) (1) The vendor of the equipment used in a remote caller bingo game shall have its books and records audited at least annually by an independent California certified public accountant and shall submit the results of that audit to the department within 120 days after the close of the vendor’s fiscal

year. In addition, the department may audit the books and records of the vendor at any time.

(2) An authorized organization that conducts remote caller bingo games shall be audited by an independent California certified public accountant at least annually and copies of the audit reports shall be provided to the department within 60 days of completion of the audit report. A city, county, or city and county shall be provided a full copy of the audit or an audit report upon request. The audit report shall account for the annual amount of fees paid to financial institutions for the use and processing of credit card sales by the authorized organization and the amount of fees for the use and processing of credit card sales redirected from “overhead costs” and deducted from the amount of gross revenues awarded for prizes.

(3) The costs of the licensing and audits required by this section shall be borne by the person or entity required to be licensed or audited. The audit shall enumerate the receipts for remote caller bingo, the prizes disbursed, the overhead costs, and the amount retained by the nonprofit organization. The department may audit the books and records of an organization that conducts remote caller bingo games at any time.

(4) If the department identifies practices in violation of this section, the license for the audited entity may be suspended pending review and hearing before the commission for a final determination.

(x) (1) The provisions of this section are severable. If any provision of this section or its application is held invalid, that invalidity shall not affect other provisions or applications that can be given effect without the invalid provision or application.

(2) Notwithstanding paragraph (1), if paragraph (1) or (3) of subdivision (u), or the application of either of those provisions, is held invalid, this entire section shall be invalid.

(y) The department shall submit a report to the Legislature, on or before January 1, 2016, on the fundraising effectiveness and regulation of remote caller bingo, and other matters that are relevant to the public interest regarding remote caller bingo.

(z) The following definitions apply for purposes of this section:

(1) “Commission” means the California Gambling Control Commission.

(2) “Department” means the Department of Justice.

(3) “Person” includes a natural person, corporation, limited liability company, partnership, trust, joint venture, association, or any other business organization.

(aa) This section shall become inoperative on July 1, 2016, and, as of January 1, 2017, is repealed, unless a later enacted statute, that becomes operative on or before January 1, 2017, deletes or extends the dates on which it becomes inoperative and is repealed.

SEC. 6. Section 1170 of the Penal Code, as amended by Section 2 of Chapter 828 of the Statutes of 2012, is amended to read:

1170. (a) (1) The Legislature finds and declares that the purpose of imprisonment for crime is punishment. This purpose is best served by terms proportionate to the seriousness of the offense with provision for uniformity

in the sentences of offenders committing the same offense under similar circumstances. The Legislature further finds and declares that the elimination of disparity and the provision of uniformity of sentences can best be achieved by determinate sentences fixed by statute in proportion to the seriousness of the offense as determined by the Legislature to be imposed by the court with specified discretion.

(2) Notwithstanding paragraph (1), the Legislature further finds and declares that programs should be available for inmates, including, but not limited to, educational programs, that are designed to prepare nonviolent felony offenders for successful reentry into the community. The Legislature encourages the development of policies and programs designed to educate and rehabilitate nonviolent felony offenders. In implementing this section, the Department of Corrections and Rehabilitation is encouraged to give priority enrollment in programs to promote successful return to the community to an inmate with a short remaining term of commitment and a release date that would allow him or her adequate time to complete the program.

(3) In any case in which the punishment prescribed by statute for a person convicted of a public offense is a term of imprisonment in the state prison of any specification of three time periods, the court shall sentence the defendant to one of the terms of imprisonment specified unless the convicted person is given any other disposition provided by law, including a fine, jail, probation, or the suspension of imposition or execution of sentence or is sentenced pursuant to subdivision (b) of Section 1168 because he or she had committed his or her crime prior to July 1, 1977. In sentencing the convicted person, the court shall apply the sentencing rules of the Judicial Council. The court, unless it determines that there are circumstances in mitigation of the punishment prescribed, shall also impose any other term that it is required by law to impose as an additional term. Nothing in this article shall affect any provision of law that imposes the death penalty, that authorizes or restricts the granting of probation or suspending the execution or imposition of sentence, or expressly provides for imprisonment in the state prison for life, except as provided in paragraph (2) of subdivision (d). In any case in which the amount of preimprisonment credit under Section 2900.5 or any other provision of law is equal to or exceeds any sentence imposed pursuant to this chapter, the entire sentence shall be deemed to have been served and the defendant shall not be actually delivered to the custody of the secretary. The court shall advise the defendant that he or she shall serve a period of parole and order the defendant to report to the parole office closest to the defendant's last legal residence, unless the in-custody credits equal the total sentence, including both confinement time and the period of parole. The sentence shall be deemed a separate prior prison term under Section 667.5, and a copy of the judgment and other necessary documentation shall be forwarded to the secretary.

(b) When a judgment of imprisonment is to be imposed and the statute specifies three possible terms, the court shall order imposition of the middle term, unless there are circumstances in aggravation or mitigation of the

crime. At least four days prior to the time set for imposition of judgment, either party or the victim, or the family of the victim if the victim is deceased, may submit a statement in aggravation or mitigation to dispute facts in the record or the probation officer's report, or to present additional facts. In determining whether there are circumstances that justify imposition of the upper or lower term, the court may consider the record in the case, the probation officer's report, other reports, including reports received pursuant to Section 1203.03, and statements in aggravation or mitigation submitted by the prosecution, the defendant, or the victim, or the family of the victim if the victim is deceased, and any further evidence introduced at the sentencing hearing. The court shall set forth on the record the facts and reasons for imposing the upper or lower term. The court may not impose an upper term by using the fact of any enhancement upon which sentence is imposed under any provision of law. A term of imprisonment shall not be specified if imposition of sentence is suspended.

(c) The court shall state the reasons for its sentence choice on the record at the time of sentencing. The court shall also inform the defendant that as part of the sentence after expiration of the term he or she may be on parole for a period as provided in Section 3000.

(d) (1) When a defendant subject to this section or subdivision (b) of Section 1168 has been sentenced to be imprisoned in the state prison and has been committed to the custody of the secretary, the court may, within 120 days of the date of commitment on its own motion, or at any time upon the recommendation of the secretary or the Board of Parole Hearings, recall the sentence and commitment previously ordered and resentence the defendant in the same manner as if he or she had not previously been sentenced, provided the new sentence, if any, is no greater than the initial sentence. The court resentencing under this subdivision shall apply the sentencing rules of the Judicial Council so as to eliminate disparity of sentences and to promote uniformity of sentencing. Credit shall be given for time served.

(2) (A) (i) When a defendant who was under 18 years of age at the time of the commission of the offense for which the defendant was sentenced to imprisonment for life without the possibility of parole has served at least 15 years of that sentence, the defendant may submit to the sentencing court a petition for recall and resentencing.

(ii) Notwithstanding clause (i), this paragraph shall not apply to defendants sentenced to life without parole for an offense where the defendant tortured, as described in Section 206, his or her victim or the victim was a public safety official, including any law enforcement personnel mentioned in Chapter 4.5 (commencing with Section 830) of Title 3, or any firefighter as described in Section 245.1, as well as any other officer in any segment of law enforcement who is employed by the federal government, the state, or any of its political subdivisions.

(B) The defendant shall file the original petition with the sentencing court. A copy of the petition shall be served on the agency that prosecuted the case. The petition shall include the defendant's statement that he or she

was under 18 years of age at the time of the crime and was sentenced to life in prison without the possibility of parole, the defendant's statement describing his or her remorse and work towards rehabilitation, and the defendant's statement that one of the following is true:

(i) The defendant was convicted pursuant to felony murder or aiding and abetting murder provisions of law.

(ii) The defendant does not have juvenile felony adjudications for assault or other felony crimes with a significant potential for personal harm to victims prior to the offense for which the sentence is being considered for recall.

(iii) The defendant committed the offense with at least one adult codefendant.

(iv) The defendant has performed acts that tend to indicate rehabilitation or the potential for rehabilitation, including, but not limited to, availing himself or herself of rehabilitative, educational, or vocational programs, if those programs have been available at his or her classification level and facility, using self-study for self-improvement, or showing evidence of remorse.

(C) If any of the information required in subparagraph (B) is missing from the petition, or if proof of service on the prosecuting agency is not provided, the court shall return the petition to the defendant and advise the defendant that the matter cannot be considered without the missing information.

(D) A reply to the petition, if any, shall be filed with the court within 60 days of the date on which the prosecuting agency was served with the petition, unless a continuance is granted for good cause.

(E) If the court finds by a preponderance of the evidence that the statements in the petition are true, the court shall hold a hearing to consider whether to recall the sentence and commitment previously ordered and to resentence the defendant in the same manner as if the defendant had not previously been sentenced, provided that the new sentence, if any, is not greater than the initial sentence. Victims, or victim family members if the victim is deceased, shall retain the rights to participate in the hearing.

(F) The factors that the court may consider when determining whether to recall and resentence include, but are not limited to, the following:

(i) The defendant was convicted pursuant to felony murder or aiding and abetting murder provisions of law.

(ii) The defendant does not have juvenile felony adjudications for assault or other felony crimes with a significant potential for personal harm to victims prior to the offense for which the sentence is being considered for recall.

(iii) The defendant committed the offense with at least one adult codefendant.

(iv) Prior to the offense for which the sentence is being considered for recall, the defendant had insufficient adult support or supervision and had suffered from psychological or physical trauma, or significant stress.

(v) The defendant suffers from cognitive limitations due to mental illness, developmental disabilities, or other factors that did not constitute a defense, but influenced the defendant's involvement in the offense.

(vi) The defendant has performed acts that tend to indicate rehabilitation or the potential for rehabilitation, including, but not limited to, availing himself or herself of rehabilitative, educational, or vocational programs, if those programs have been available at his or her classification level and facility, using self-study for self-improvement, or showing evidence of remorse.

(vii) The defendant has maintained family ties or connections with others through letter writing, calls, or visits, or has eliminated contact with individuals outside of prison who are currently involved with crime.

(viii) The defendant has had no disciplinary actions for violent activities in the last five years in which the defendant was determined to be the aggressor.

(G) The court shall have the discretion to recall the sentence and commitment previously ordered and to resentence the defendant in the same manner as if the defendant had not previously been sentenced, provided that the new sentence, if any, is not greater than the initial sentence. The discretion of the court shall be exercised in consideration of the criteria in subparagraph (B). Victims, or victim family members if the victim is deceased, shall be notified of the resentencing hearing and shall retain their rights to participate in the hearing.

(H) If the sentence is not recalled, the defendant may submit another petition for recall and resentencing to the sentencing court when the defendant has been committed to the custody of the department for at least 20 years. If recall and resentencing is not granted under that petition, the defendant may file another petition after having served 24 years. The final petition may be submitted, and the response to that petition shall be determined, during the 25th year of the defendant's sentence.

(I) In addition to the criteria in subparagraph (F), the court may consider any other criteria that the court deems relevant to its decision, so long as the court identifies them on the record, provides a statement of reasons for adopting them, and states why the defendant does or does not satisfy the criteria.

(J) This subdivision shall have retroactive application.

(e) (1) Notwithstanding any other law and consistent with paragraph (1) of subdivision (a), if the secretary or the Board of Parole Hearings or both determine that a prisoner satisfies the criteria set forth in paragraph (2), the secretary or the board may recommend to the court that the prisoner's sentence be recalled.

(2) The court shall have the discretion to resentence or recall if the court finds that the facts described in subparagraphs (A) and (B) or subparagraphs (B) and (C) exist:

(A) The prisoner is terminally ill with an incurable condition caused by an illness or disease that would produce death within six months, as determined by a physician employed by the department.

(B) The conditions under which the prisoner would be released or receive treatment do not pose a threat to public safety.

(C) The prisoner is permanently medically incapacitated with a medical condition that renders him or her permanently unable to perform activities of basic daily living, and results in the prisoner requiring 24-hour total care, including, but not limited to, coma, persistent vegetative state, brain death, ventilator-dependency, loss of control of muscular or neurological function, and that incapacitation did not exist at the time of the original sentencing.

The Board of Parole Hearings shall make findings pursuant to this subdivision before making a recommendation for resentence or recall to the court. This subdivision does not apply to a prisoner sentenced to death or a term of life without the possibility of parole.

(3) Within 10 days of receipt of a positive recommendation by the secretary or the board, the court shall hold a hearing to consider whether the prisoner's sentence should be recalled.

(4) Any physician employed by the department who determines that a prisoner has six months or less to live shall notify the chief medical officer of the prognosis. If the chief medical officer concurs with the prognosis, he or she shall notify the warden. Within 48 hours of receiving notification, the warden or the warden's representative shall notify the prisoner of the recall and resentencing procedures, and shall arrange for the prisoner to designate a family member or other outside agent to be notified as to the prisoner's medical condition and prognosis, and as to the recall and resentencing procedures. If the inmate is deemed mentally unfit, the warden or the warden's representative shall contact the inmate's emergency contact and provide the information described in paragraph (2).

(5) The warden or the warden's representative shall provide the prisoner and his or her family member, agent, or emergency contact, as described in paragraph (4), updated information throughout the recall and resentencing process with regard to the prisoner's medical condition and the status of the prisoner's recall and resentencing proceedings.

(6) Notwithstanding any other provisions of this section, the prisoner or his or her family member or designee may independently request consideration for recall and resentencing by contacting the chief medical officer at the prison or the secretary. Upon receipt of the request, the chief medical officer and the warden or the warden's representative shall follow the procedures described in paragraph (4). If the secretary determines that the prisoner satisfies the criteria set forth in paragraph (2), the secretary or board may recommend to the court that the prisoner's sentence be recalled. The secretary shall submit a recommendation for release within 30 days in the case of inmates sentenced to determinate terms and, in the case of inmates sentenced to indeterminate terms, the secretary shall make a recommendation to the Board of Parole Hearings with respect to the inmates who have applied under this section. The board shall consider this information and make an independent judgment pursuant to paragraph (2) and make findings related thereto before rejecting the request or making a recommendation to the court. This action shall be taken at the next lawfully noticed board meeting.

(7) Any recommendation for recall submitted to the court by the secretary or the Board of Parole Hearings shall include one or more medical evaluations, a postrelease plan, and findings pursuant to paragraph (2).

(8) If possible, the matter shall be heard before the same judge of the court who sentenced the prisoner.

(9) If the court grants the recall and resentencing application, the prisoner shall be released by the department within 48 hours of receipt of the court's order, unless a longer time period is agreed to by the inmate. At the time of release, the warden or the warden's representative shall ensure that the prisoner has each of the following in his or her possession: a discharge medical summary, full medical records, state identification, parole medications, and all property belonging to the prisoner. After discharge, any additional records shall be sent to the prisoner's forwarding address.

(10) The secretary shall issue a directive to medical and correctional staff employed by the department that details the guidelines and procedures for initiating a recall and resentencing procedure. The directive shall clearly state that any prisoner who is given a prognosis of six months or less to live is eligible for recall and resentencing consideration, and that recall and resentencing procedures shall be initiated upon that prognosis.

(f) Notwithstanding any other provision of this section, for purposes of paragraph (3) of subdivision (h), any allegation that a defendant is eligible for state prison due to a prior or current conviction, sentence enhancement, or because he or she is required to register as a sex offender shall not be subject to dismissal pursuant to Section 1385.

(g) A sentence to state prison for a determinate term for which only one term is specified, is a sentence to state prison under this section.

(h) (1) Except as provided in paragraph (3), a felony punishable pursuant to this subdivision where the term is not specified in the underlying offense shall be punishable by a term of imprisonment in a county jail for 16 months, or two or three years.

(2) Except as provided in paragraph (3), a felony punishable pursuant to this subdivision shall be punishable by imprisonment in a county jail for the term described in the underlying offense.

(3) Notwithstanding paragraphs (1) and (2), where the defendant (A) has a prior or current felony conviction for a serious felony described in subdivision (c) of Section 1192.7 or a prior or current conviction for a violent felony described in subdivision (c) of Section 667.5, (B) has a prior felony conviction in another jurisdiction for an offense that has all the elements of a serious felony described in subdivision (c) of Section 1192.7 or a violent felony described in subdivision (c) of Section 667.5, (C) is required to register as a sex offender pursuant to Chapter 5.5 (commencing with Section 290) of Title 9 of Part 1, or (D) is convicted of a crime and as part of the sentence an enhancement pursuant to Section 186.11 is imposed, an executed sentence for a felony punishable pursuant to this subdivision shall be served in state prison.

(4) Nothing in this subdivision shall be construed to prevent other dispositions authorized by law, including pretrial diversion, deferred entry of judgment, or an order granting probation pursuant to Section 1203.1.

(5) The court, when imposing a sentence pursuant to paragraph (1) or (2) of this subdivision, may commit the defendant to county jail as follows:

(A) For a full term in custody as determined in accordance with the applicable sentencing law.

(B) (i) For a term as determined in accordance with the applicable sentencing law, but suspend execution of a concluding portion of the term selected in the court's discretion, during which time the defendant shall be supervised by the county probation officer in accordance with the terms, conditions, and procedures generally applicable to persons placed on probation, for the remaining unserved portion of the sentence imposed by the court. The period of supervision shall be mandatory, and may not be earlier terminated except by court order. Any proceeding to revoke or modify mandatory supervision under this subparagraph shall be conducted pursuant to either subdivisions (a) and (b) of Section 1203.2 or Section 1203.3. During the period when the defendant is under such supervision, unless in actual custody related to the sentence imposed by the court, the defendant shall be entitled to only actual time credit against the term of imprisonment imposed by the court. Any time period which is suspended because a person has absconded shall not be credited toward the period of supervision.

(ii) The portion of a defendant's sentenced term during which time he or she is supervised by the county probation officer pursuant to this subparagraph shall be known as mandatory supervision, and shall begin upon release from custody.

(6) The sentencing changes made by the act that added this subdivision shall be applied prospectively to any person sentenced on or after October 1, 2011.

(i) This section shall become operative on January 1, 2014.

SEC. 7. Section 1203.2 of the Penal Code is amended to read:

1203.2. (a) At any time during the period of supervision of a person (1) released on probation under the care of a probation officer pursuant to this chapter, (2) released on conditional sentence or summary probation not under the care of a probation officer, (3) placed on mandatory supervision pursuant to subparagraph (B) of paragraph (5) of subdivision (h) of Section 1170, (4) subject to revocation of postrelease community supervision pursuant to Section 3455, or (5) subject to revocation of parole supervision pursuant to Section 3000.08, if any probation officer, parole officer, or peace officer has probable cause to believe that the supervised person is violating any term or condition of his or her supervision, the officer may, without warrant or other process and at any time until the final disposition of the case, rearrest the supervised person and bring him or her before the court or the court may, in its discretion, issue a warrant for his or her rearrest. Upon such rearrest, or upon the issuance of a warrant for rearrest the court may revoke and terminate the supervision of the person if the interests of justice so require and the court, in its judgment, has reason to believe from

the report of the probation or parole officer or otherwise that the person has violated any of the conditions of his or her supervision, has become abandoned to improper associates or a vicious life, or has subsequently committed other offenses, regardless whether he or she has been prosecuted for such offenses. However, the court shall not terminate parole pursuant to this section. Supervision shall not be revoked for failure of a person to make restitution imposed as a condition of supervision unless the court determines that the defendant has willfully failed to pay and has the ability to pay. Restitution shall be consistent with a person's ability to pay. The revocation, summary or otherwise, shall serve to toll the running of the period of supervision.

(b) (1) Upon its own motion or upon the petition of the supervised person, the probation or parole officer, or the district attorney, the court may modify, revoke, or terminate supervision of the person pursuant to this subdivision, except that the court shall not terminate parole pursuant to this section. The court in the county in which the person is supervised has jurisdiction to hear the motion or petition, or for those on parole, either the court in the county of supervision or the court in the county in which the alleged violation of supervision occurred. A person supervised on parole or postrelease community supervision pursuant to Section 3455 may not petition the court pursuant to this section for early release from supervision, and a petition under this section shall not be filed solely for the purpose of modifying parole. Nothing in this section shall prohibit the court in the county in which the person is supervised or in which the alleged violation of supervision occurred from modifying a person's parole when acting on the court's own motion or a petition to revoke parole. The court shall give notice of its motion, and the probation or parole officer or the district attorney shall give notice of his or her petition to the supervised person, his or her attorney of record, and the district attorney or the probation or parole officer, as the case may be. The supervised person shall give notice of his or her petition to the probation or parole officer and notice of any motion or petition shall be given to the district attorney in all cases. The court shall refer its motion or the petition to the probation or parole officer. After the receipt of a written report from the probation or parole officer, the court shall read and consider the report and either its motion or the petition and may modify, revoke, or terminate the supervision of the supervised person upon the grounds set forth in subdivision (a) if the interests of justice so require.

(2) The notice required by this subdivision may be given to the supervised person upon his or her first court appearance in the proceeding. Upon the agreement by the supervised person in writing to the specific terms of a modification or termination of a specific term of supervision, any requirement that the supervised person make a personal appearance in court for the purpose of a modification or termination shall be waived. Prior to the modification or termination and waiver of appearance, the supervised person shall be informed of his or her right to consult with counsel, and if indigent the right to secure court appointed counsel. If the supervised person waives his or her right to counsel a written waiver shall be required. If the

supervised person consults with counsel and thereafter agrees to a modification, revocation, or termination of the term of supervision and waiver of personal appearance, the agreement shall be signed by counsel showing approval for the modification or termination and waiver.

(c) Upon any revocation and termination of probation the court may, if the sentence has been suspended, pronounce judgment for any time within the longest period for which the person might have been sentenced. However, if the judgment has been pronounced and the execution thereof has been suspended, the court may revoke the suspension and order that the judgment shall be in full force and effect. In either case, the person shall be delivered over to the proper officer to serve his or her sentence, less any credits herein provided for.

(d) In any case of revocation and termination of probation, including, but not limited to, cases in which the judgment has been pronounced and the execution thereof has been suspended, upon the revocation and termination, the court may, in lieu of any other sentence, commit the person to the Department of Corrections and Rehabilitation, Division of Juvenile Facilities if he or she is otherwise eligible for such commitment.

(e) If probation has been revoked before the judgment has been pronounced, the order revoking probation may be set aside for good cause upon motion made before pronouncement of judgment. If probation has been revoked after the judgment has been pronounced, the judgment and the order which revoked the probation may be set aside for good cause within 30 days after the court has notice that the execution of the sentence has commenced. If an order setting aside the judgment, the revocation of probation, or both is made after the expiration of the probationary period, the court may again place the person on probation for that period and with those terms and conditions as it could have done immediately following conviction.

(f) As used in this section, the following definitions shall apply:

(1) “Court” means a judge, magistrate, or revocation hearing officer described in Section 71622.5 of the Government Code.

(2) “Probation officer” means a probation officer as described in Section 1203 or an officer of the agency designated by the board of supervisors of a county to implement postrelease community supervision pursuant to Section 3451.

(3) “Supervised person” means a person who satisfies any of the following:

(A) He or she is released on probation subject to the supervision of a probation officer.

(B) He or she is released on conditional sentence or summary probation not under the care of a probation officer.

(C) He or she is subject to mandatory supervision pursuant to subparagraph (B) of paragraph (5) of subdivision (h) of Section 1170.

(D) He or she is subject to revocation of postrelease community supervision pursuant to Section 3455.

(E) He or she is subject to revocation of parole pursuant to Section 3000.08.

(g) Nothing in this section affects the authority of the supervising agency to impose intermediate sanctions, including flash incarceration, to persons supervised on parole pursuant to Section 3000.8 or postrelease community supervision pursuant to Part 3 (commencing with Section 3450) of Title 2.05.

SEC. 8. Section 3000.08 of the Penal Code, as amended by Section 44 of Chapter 24 of the Statutes of 2012, is amended to read:

3000.08. (5) Any crime for which the person is required, as a condition of parole, to undergo treatment by the State Department of State Hospitals pursuant to Section 2962.

(b) Notwithstanding any other law, all other offenders released from prison shall be placed on postrelease supervision pursuant to Title 2.05 (commencing with Section 3450).

(c) Notwithstanding subdivision (a), any of the following persons released from state prison shall be subject to the jurisdiction of, and parole supervision by, the Department of Corrections and Rehabilitation for a period of parole up to three years or the parole term the person was subject to at the time of the commission of the offense, whichever is greater:

(1) The person is required to register as a sex offender pursuant to Chapter 5.5 (commencing with Section 290) of Title 9 of Part 1, and was subject to a period of parole exceeding three years at the time he or she committed a felony for which they were convicted and subsequently sentenced to state prison.

(2) The person was subject to parole for life pursuant to Section 3000.1 at the time of the commission of the offense that resulted in a conviction and state prison sentence.

(d) Except as described in subdivision (c), any person who is convicted of a felony that requires community supervision and who still has a period of state parole to serve shall discharge from state parole at the time of release to community supervision.

(e) Any person released to parole supervision pursuant to subdivision (a) shall, regardless of any subsequent determination that the person should have been released pursuant to subdivision (b), remain subject to subdivision

(a) after having served 60 days under supervision pursuant to subdivision (a).

(f) This section shall be operative only until July 1, 2013, and as of January 1, 2014, is repealed, unless a later enacted statute, that is enacted before January 1, 2014, deletes or extends that date.

SEC. 9. Section 3000.08 of the Penal Code, as amended by Section 35 of Chapter 43 of the Statutes of 2012, is amended to read:

3000.08. (a) A person released from state prison prior to or on or after July 1, 2013, after serving a prison term, or whose sentence has been deemed served pursuant to Section 2900.5, for any of the following crimes is subject to parole supervision by the Department of Corrections and Rehabilitation and the jurisdiction of the court in the county in which the parolee is released, resides, or in which an alleged violation of supervision has occurred, for the purpose of hearing petitions to revoke parole and impose a term of custody:

- (1) A serious felony as described in subdivision (c) of Section 1192.7.
- (2) A violent felony as described in subdivision (c) of Section 667.5.
- (3) A crime for which the person was sentenced pursuant to paragraph (2) of subdivision (e) of Section 667 or paragraph (2) of subdivision (c) of Section 1170.12.
- (4) Any crime for which the person is classified as a high risk sex offender.
- (5) Any crime for which the person is required, as a condition of parole, to undergo treatment by the State Department of State Hospitals pursuant to Section 2962.

(b) Notwithstanding any other law, all other offenders released from prison shall be placed on postrelease supervision pursuant to Title 2.05 (commencing with Section 3450).

(c) At any time during the period of parole of a person subject to this section, if any parole agent or peace officer has probable cause to believe that the parolee is violating any term or condition of his or her parole, the agent or officer may, without warrant or other process and at any time until the final disposition of the case, arrest the person and bring him or her before the court, or the court may, in its discretion, issue a warrant for that person's arrest pursuant to Section 1203.2.

(d) Upon review of the alleged violation and a finding of good cause that the parolee has committed a violation of law or violated his or her conditions of parole, the supervising parole agency may impose additional and appropriate conditions of supervision, including rehabilitation and treatment services and appropriate incentives for compliance, and impose immediate, structured, and intermediate sanctions for parole violations, including flash incarceration in a county jail. Periods of "flash incarceration," as defined in subdivision (e) are encouraged as one method of punishment for violations of a parolee's conditions of parole. This section does not preclude referrals to a reentry court pursuant to Section 3015.

(e) "Flash incarceration" is a period of detention in county jail due to a violation of a parolee's conditions of parole. The length of the detention

period can range between one and 10 consecutive days. Shorter, but if necessary more frequent, periods of detention for violations of a parolee's conditions of parole shall appropriately punish a parolee while preventing the disruption in a work or home establishment that typically arises from longer periods of detention.

(f) If the supervising parole agency has determined, following application of its assessment processes, that intermediate sanctions up to and including flash incarceration are not appropriate, the supervising parole agency shall, pursuant to Section 1203.2, petition either the court in the county in which the parolee is being supervised or the court in the county in which the alleged violation of supervision occurred, to revoke parole. At any point during the process initiated pursuant to this section, a parolee may waive, in writing, his or her right to counsel, admit the parole violation, waive a court hearing, and accept the proposed parole modification or revocation. The petition shall include a written report that contains additional information regarding the petition, including the relevant terms and conditions of parole, the circumstances of the alleged underlying violation, the history and background of the parolee, and any recommendations. The Judicial Council shall adopt forms and rules of court to establish uniform statewide procedures to implement this subdivision, including the minimum contents of supervision agency reports. Upon a finding that the person has violated the conditions of parole, the court shall have authority to do any of the following:

- (1) Return the person to parole supervision with modifications of conditions, if appropriate, including a period of incarceration in county jail.
- (2) Revoke parole and order the person to confinement in the county jail.
- (3) Refer the person to a reentry court pursuant to Section 3015 or other evidence-based program in the court's discretion.

(g) Confinement pursuant to paragraphs (1) and (2) of subdivision (f) shall not exceed a period of 180 days in the county jail.

(h) Notwithstanding any other law, if Section 3000.1 or paragraph (4) of subdivision (b) of Section 3000 applies to a person who is on parole and the court determines that the person has committed a violation of law or violated his or her conditions of parole, the person on parole shall be remanded to the custody of the Department of Corrections and Rehabilitation and the jurisdiction of the Board of Parole Hearings for the purpose of future parole consideration.

(i) Notwithstanding subdivision (a), any of the following persons released from state prison shall be subject to the jurisdiction of, and parole supervision by, the Department of Corrections and Rehabilitation for a period of parole up to three years or the parole term the person was subject to at the time of the commission of the offense, whichever is greater:

- (1) The person is required to register as a sex offender pursuant to Chapter 5.5 (commencing with Section 290) of Title 9 of Part 1, and was subject to a period of parole exceeding three years at the time he or she committed a felony for which they were convicted and subsequently sentenced to state prison.

(2) The person was subject to parole for life pursuant to Section 3000.1 at the time of the commission of the offense that resulted in a conviction and state prison sentence.

(j) Parolees subject to this section who have a pending adjudication for a parole violation on July 1, 2013, are subject to the jurisdiction of the Board of Parole Hearings. Parole revocation proceedings conducted by the Board of Parole Hearings prior to July 1, 2013, if reopened on or after July 1, 2013, are subject to the jurisdiction of the Board of Parole Hearings.

(k) Except as described in subdivision (c), any person who is convicted of a felony that requires community supervision and who still has a period of state parole to serve shall discharge from state parole at the time of release to community supervision.

(l) Any person released to parole supervision pursuant to subdivision (a) shall, regardless of any subsequent determination that the person should have been released pursuant to subdivision (b), remain subject to subdivision (a) after having served 60 days under supervision pursuant to subdivision (a).

(m) This section shall become operative on July 1, 2013.

SEC. 10. Section 3003 of the Penal Code is amended to read:

3003. (a) Except as otherwise provided in this section, an inmate who is released on parole or postrelease supervision as provided by Title 2.05 (commencing with Section 3450) shall be returned to the county that was the last legal residence of the inmate prior to his or her incarceration. For purposes of this subdivision, “last legal residence” shall not be construed to mean the county wherein the inmate committed an offense while confined in a state prison or local jail facility or while confined for treatment in a state hospital.

(b) Notwithstanding subdivision (a), an inmate may be returned to another county if that would be in the best interests of the public. If the Board of Parole Hearings setting the conditions of parole for inmates sentenced pursuant to subdivision (b) of Section 1168, as determined by the parole consideration panel, or the Department of Corrections and Rehabilitation setting the conditions of parole for inmates sentenced pursuant to Section 1170, decides on a return to another county, it shall place its reasons in writing in the parolee’s permanent record and include these reasons in the notice to the sheriff or chief of police pursuant to Section 3058.6. In making its decision, the paroling authority shall consider, among others, the following factors, giving the greatest weight to the protection of the victim and the safety of the community:

(1) The need to protect the life or safety of a victim, the parolee, a witness, or any other person.

(2) Public concern that would reduce the chance that the inmate’s parole would be successfully completed.

(3) The verified existence of a work offer, or an educational or vocational training program.

(4) The existence of family in another county with whom the inmate has maintained strong ties and whose support would increase the chance that the inmate's parole would be successfully completed.

(5) The lack of necessary outpatient treatment programs for parolees receiving treatment pursuant to Section 2960.

(c) The Department of Corrections and Rehabilitation, in determining an out-of-county commitment, shall give priority to the safety of the community and any witnesses and victims.

(d) In making its decision about an inmate who participated in a joint venture program pursuant to Article 1.5 (commencing with Section 2717.1) of Chapter 5, the paroling authority shall give serious consideration to releasing him or her to the county where the joint venture program employer is located if that employer states to the paroling authority that he or she intends to employ the inmate upon release.

(e) (1) The following information, if available, shall be released by the Department of Corrections and Rehabilitation to local law enforcement agencies regarding a paroled inmate or inmate placed on postrelease supervision pursuant to Title 2.05 (commencing with Section 3450) who is released in their jurisdictions:

(A) Last, first, and middle name.

(B) Birth date.

(C) Sex, race, height, weight, and hair and eye color.

(D) Date of parole and discharge.

(E) Registration status, if the inmate is required to register as a result of a controlled substance, sex, or arson offense.

(F) California Criminal Information Number, FBI number, social security number, and driver's license number.

(G) County of commitment.

(H) A description of scars, marks, and tattoos on the inmate.

(I) Offense or offenses for which the inmate was convicted that resulted in parole in this instance.

(J) Address, including all of the following information:

(i) Street name and number. Post office box numbers are not acceptable for purposes of this subparagraph.

(ii) City and ZIP Code.

(iii) Date that the address provided pursuant to this subparagraph was proposed to be effective.

(K) Contact officer and unit, including all of the following information:

(i) Name and telephone number of each contact officer.

(ii) Contact unit type of each contact officer such as units responsible for parole, registration, or county probation.

(L) A digitized image of the photograph and at least a single digit fingerprint of the parolee.

(M) A geographic coordinate for the parolee's residence location for use with a Geographical Information System (GIS) or comparable computer program.

(2) Unless the information is unavailable, the Department of Corrections and Rehabilitation shall electronically transmit to the county agency identified in subdivision (a) of Section 3451 the inmate's tuberculosis status, specific medical, mental health, and outpatient clinic needs, and any medical concerns or disabilities for the county to consider as the offender transitions onto postrelease community supervision pursuant to Section 3450, for the purpose of identifying the medical and mental health needs of the individual. All transmissions to the county agency shall be in compliance with applicable provisions of the federal Health Insurance Portability and Accountability Act of 1996 (HIPAA) (Public Law 104-191), the federal Health Information Technology for Clinical Health Act (HITECH) (Public Law 111-005), and the implementing of privacy and security regulations in Parts 160 and 164 of Title 45 of the Code of Federal Regulations. This paragraph shall not take effect until the Secretary of the United States Department of Health and Human Services, or his or her designee, determines that this provision is not preempted by HIPAA.

(3) Except for the information required by paragraph (2), the information required by this subdivision shall come from the statewide parolee database. The information obtained from each source shall be based on the same timeframe.

(4) All of the information required by this subdivision shall be provided utilizing a computer-to-computer transfer in a format usable by a desktop computer system. The transfer of this information shall be continually available to local law enforcement agencies upon request.

(5) The unauthorized release or receipt of the information described in this subdivision is a violation of Section 11143.

(f) Notwithstanding any other provision of law, an inmate who is released on parole shall not be returned to a location within 35 miles of the actual residence of a victim of, or a witness to, a violent felony as defined in paragraphs (1) to (7), inclusive, and paragraph (16) of subdivision (c) of Section 667.5 or a felony in which the defendant inflicts great bodily injury on any person other than an accomplice that has been charged and proved as provided for in Section 12022.53, 12022.7, or 12022.9, if the victim or witness has requested additional distance in the placement of the inmate on parole, and if the Board of Parole Hearings or the Department of Corrections and Rehabilitation finds that there is a need to protect the life, safety, or well-being of a victim or witness.

(g) Notwithstanding any other law, an inmate who is released on parole for a violation of Section 288 or 288.5 whom the Department of Corrections and Rehabilitation determines poses a high risk to the public shall not be placed or reside, for the duration of his or her parole, within one-half mile of any public or private school including any or all of kindergarten and grades 1 to 12, inclusive.

(h) Notwithstanding any other law, an inmate who is released on parole for an offense involving stalking shall not be returned to a location within 35 miles of the victim's actual residence or place of employment if the victim or witness has requested additional distance in the placement of the

inmate on parole, and if the Board of Parole Hearings or the Department of Corrections and Rehabilitation finds that there is a need to protect the life, safety, or well-being of the victim.

(i) The authority shall give consideration to the equitable distribution of parolees and the proportion of out-of-county commitments from a county compared to the number of commitments from that county when making parole decisions.

(j) An inmate may be paroled to another state pursuant to any other law. The Department of Corrections and Rehabilitation shall coordinate with local entities regarding the placement of inmates placed out of state on postrelease supervision pursuant to Title 2.05 (commencing with Section 3450).

(k) (1) Except as provided in paragraph (2), the Department of Corrections and Rehabilitation shall be the agency primarily responsible for, and shall have control over, the program, resources, and staff implementing the Law Enforcement Automated Data System (LEADS) in conformance with subdivision (e). County agencies supervising inmates released to postrelease supervision pursuant to Title 2.05 (commencing with Section 3450) shall provide any information requested by the department to ensure the availability of accurate information regarding inmates released from state prison. This information may include the issuance of warrants, revocations, or the termination of postrelease supervision. On or before August 1, 2011, county agencies designated to supervise inmates released to postrelease supervision shall notify the department that the county agencies have been designated as the local entity responsible for providing that supervision.

(2) Notwithstanding paragraph (1), the Department of Justice shall be the agency primarily responsible for the proper release of information under LEADS that relates to fingerprint cards.

(l) In addition to the requirements under subdivision (k), the Department of Corrections and Rehabilitation shall submit to the Department of Justice data to be included in the supervised release file of the California Law Enforcement Telecommunications System (CLETS) so that law enforcement can be advised through CLETS of all persons on postrelease community supervision and the county agency designated to provide supervision. The data required by this subdivision shall be provided via electronic transfer.
